VIRGINIA'S BLOCK Russian River Valley | Sonoma County 2021 SAUVIGNON BLANC

VINEYARD

Deep in the heart of the Russian River Valley, we have a five acre gem of Sauvignon Blanc. As a tribute to Davis Bynum's second love, we named the five acres Virginia's block. The vines are planted in east-west rows in shallow gravelly Huichica loam. The vines are cane pruned and trained to open up the canopy to allow the sunlight to touch the fruit. These fruit clusters turn golden through harvest, as the flavors become fully mature.

THE HARVEST

The 2021 vintage turned out to be a fantastic growing season, with no frost and very mild temperatures throughout most of the year. However, the unpredictable spring rains ended in March in what would become one of the driest seasons on record in Sonoma County. Despite a predicted early harvest due to dry conditions, we were pleased to find flavors and high acidities indicating everything was in balance and on track for a September harvest.

STYLE

We like to highlight the ripe fruit characteristics of Virginia's Block while maintaining the acidity for the structure of the wine. The fruit was lightly pressed and settled overnight before being inoculated with yeast and transferred to a combination of Acacia puncheons, two year old French oak barrels and stainless steel drums for fermentation. Each component was tasted and blended to highlight the very best characteristics of the fruit. To preserve this wine's bright acidity, it does not undergo malolactic fermentation. The finished blend is gently fined and was bottled in mid-February.

TASTE PROFILE

Our 2021 vintage opens with bright grapefruit and peach notes highlighted by lime and tropical tones. The body is supple with vibrant acidity creating a unique contrast on the palate with sweet and tart flavors featured prominently. This wine finishes with bright citrus and a lingering nectarine. Enjoy this wine alongside soft cheeses, pickled golden beet salad or fresh caught oysters on the half shell.

CLONES 1		

Davis Bynum is distinguished as the first winery to produce a single vineyard Pinot Noir from the Russian River Valley. The vintage was 1973 and the grapes were from Joe Rochioli's now prized vineyard. Today, our heritage of winemaking lives on through hand-crafted single vineyard wines grown exclusively in the Russian River Valley.
